CODE/PACKAGING
<p>CAS741 – 30 ml plastic bottle with pump CAS742 – 250 ml plastic bottle with pump</p>
TARGET GROUP
<p>The product is designed for professionals in beauty salons as well as end consumers, wishing supportive care at home.</p>
PRODUCTION CONCEPT
<p>SNB Hands and Body Cream-Gel with Aloe Vera Spheres is suitable for frequent daily use when skin hydration is needed. Especially effective during the summer months when the skin loses its moisture. Microspheres retain all the beneficial properties of aloe to its application to the skin. In combination with lactic acid, glycerin and aquaxyl, complex skin care is achieved. The gotu kola and menthol extracts calm the skin and give it a fresh feeling. 94% of the ingredients are naturally derived according to the criteria of international standard ISO 16128</p> <p>Key product components:</p> <ul style="list-style-type: none"> • Aloe Vera extract - provides intense hydration of the skin in depth; • Gotu kola extract – regenerative and anti-inflammatory action; • Menthol – refreshing and cooling effect; • Lactic acid – light peeling effect, restoring skin elasticity;

Star Nails – Bulgaria Ltd.

<ul style="list-style-type: none"> • Aquaxil – increases the elasticity of the skin and provides rapid hydration; • Sea buckthorn oil - acts anti-inflammatory and accelerates the regeneration of the skin.
